

Food for Thought

A film & discussion series hosted by **UF Green Teams**

12pm-1pm
January 23 - July 3
4th Tues. of each month

J. Wayne Reitz Union
Room 4010, Matthews Suite

Waste, **February 27, 2018**

The second session in this series will look at what happens to recyclables at UF, the impact of China's new recycled materials import ban on UF, and sustainable waste solutions emerging at the local and national level. Open to all UF Green Teams, as well as those interested in joining or starting a Green Team. Please feel free to bring your lunch* and join the discussion!

*Lunch purchased at the Arrerondo Cafe may be eaten in the Matthews Suite.

Short videos include:
"The Story of Solutions"

Upcoming Topics:

Food for Thought is intended to cover a variety of topics, like **Energy, Water, Waste, Advocacy & Climate Change.**

Any Green Team has the opportunity to host a session in this series! If your Green Team would like to host a session, please contact Dustin Stephany, co-captain of the Facilities Services Green Team: d.stephany@ufl.edu
