

WHAT IS THE ONE LESS CAR CHALLENGE AND HOW CAN YOU GET INVOLVED?

The One Less Car Challenge asks the Gator Nation - students, faculty and staff - to pledge to commute by an alternative to single-occupancy vehicle travel as often as possible throughout the year. By choosing to walk, bike, bus or carpool, we can reduce the number of cars on the road. Fewer cars mean less air and noise pollution, more money saved on gas, and less time lost sitting in traffic.

WHY SHOULD YOU CARE?

UF has a commitment to reach Carbon Neutrality by 2025. You can help UF and your wallet by taking advantage of alternative transportation options. With all the modes of transportation that UF and Gainesville have to offer, the need for single-occupancy vehicle travel has been eliminated.

YOUR GUIDE TO TRANSPORTATION AT THE UNIVERSITY OF FLORIDA

RTS BUS

Regional Transit System (RTS) buses run seven days a week, with an extensive network of routes throughout Gainesville and the UF campus. **Bus fare is free and unlimited for all Gator 1 card holders.** You can even track real-time bus locations with the TransLoc app (ufl.transloc.com) for iPhone, Android and Blackberry users. >> go-rts.com

SNAP

Student Nighttime Auxiliary Patrol (SNAP) provides **free, safe nighttime transportation on campus upon request.** The service is staffed by students equipped and supervised by the University Police Department. >> **392-SNAP (392-7627)** tinyurl.com/bpv3w31

ZIMRIDE

UF Zimride online rideshare matching is a fun, simple and convenient way to carpool for your daily commute or road trips. Zimride helps you find UF friends, classmates or coworkers who have similar schedules and lifestyle preferences and is available to all students, faculty and staff members with a GatorLink username and password. >> zimride.com/ufl

BICYCLE

Gainesville is one of the country's most bike-friendly cities, and UF offers many resources for bicycle commuters. Student Government offers **free bike repair** at the Reitz Union, and there are **free self-service bike repair stations** located throughout campus. Add a rack to your bicycle to attach baskets or pannier bags for a convenient way to carry groceries and transport your school or work supplies. You can even bring your bike with you on the bus: RTS offers front carrying racks on all buses.

ZIPCAR

UF offers low-emission vehicles on campus, available at a variety of convenient locations. Members can reserve cars online by the hour or by the day. Fees include gas, insurance, maintenance, a reserved parking space, roadside assistance and 24-hour customer service. Need to go out of town? Each Zipcar reservation comes with up to 180 miles per day! >> zipcar.com/ufl

campus cab

Campus Cab provides point-to-point transportation on main campus to UF facilities in Alachua County, including Eastside Campus. The taxi service is **free and available to UF faculty and staff**, Monday - Friday from 7:45 am - 4:45 pm. **Call 392-RIDE or e-mail campuscab@ufl.edu** to reserve your ride at least 60 minutes before requested pick-up time.

GOTCHA RIDE

Gotcha Ride is an eco-friendly, 100% battery powered transportation service that provides **free rides for students, faculty and staff.** There are currently five specially designed vehicles on UF's campus, each of which accommodates 3-5 passengers. >> thegotcharide.com

WALK

More than 25% of car trips in the US are one mile or less, and 13.7% are a half-mile or less. Walking keeps bones, muscles and joints healthy, reduces anxiety and depression, and helps you handle stress and sleep better. If you can, get out and walk!

gator lift

Gator Lift provides reliable, convenient and **free shuttle service on campus for students, faculty and staff** with mobility related disabilities. >> parking.ufl.edu/subpages/gatorlift.html
